RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Office Action dated July 31, 2007, Applicant hereby responds to the Restriction Requirement by election of Group I, which includes claims 1-10, and drawn to a composition comprising arsenic trioxide, classified in class 514, and subclass 504, with traversal.

Applicant further responds to the Election of Species requirement by electing subcutaneous tumors, as set forth in claims 2, and 12, and carbomer, as set forth in claim 8, for further prosecution on the merit.

Upon the election of species, the claims that read on the elected species are claims 1-2.

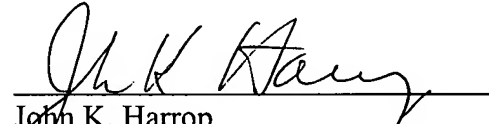

Applicant would like to remind the Examiner that upon the allowance of the generic claim in Group 1, Applicant is entitled to rejoinder of Groups I and II as well as the non-elected species.

It is respectfully submitted that this application is now in condition for examination on the merits, and early action and allowance thereof is accordingly requested. Should there be any questions, the Examiner is requested to contact the undersigned attorney for further discussion.

No fee is believed to be due. Should any other fees be needed to prevent abandonment of this application, the Examiner is hereby authorized to charge the fees to our Deposit Account No. 50-2849 and notify the undersigned.

Respectfully submitted,
